for high speed only

SUZUKI® GSX R 1000 R

reddot winner 2021  
best of the best

# SUZUKI® GSX R 1000 R

Out of the interface between racing experience  
and aeronautical inspiration comes the new

# **Stealth mirror**

**an accessory specifically designed  
for supersport bikes.**

# Dual functionality

**open:** a rear-view mirror

**closed:** an aerodynamic wing

A 25° angle with respect  
to the ground creates

## **downforce**

(around 4 Kg at 300 km/h  
with both mirror closed), useful  
to improve both bike's grip  
and handling.

# Aerodynamic riding position

prevents the rider from losing the air protection of the windshield.

Available in three anodized colors

**Silver**

**Thunder Grey**

**Black**

**Stealth**  
Sport Mount
